My child _____ has permission to attend a diving board safety session and to take the deep water swim test to allow him/her to use the diving boards. I understand that if he/she attends the session and passes the test, he/she will be able to use the low dive. If he/she attends the session, passes the test, and meets the minimum height requirement of 48", he/she will be able to use the high dive. The privileges can be revoked if the child does not follow the diving board rules.
